PLEASE SEND THIS FORM BY E-MAIL OR FAX: servicecenter@feriavalencia.com +34 902 747 345

Date, signature, and company stamp

REQUIREMENTS:

1. Computer with 10/100 Base - T/Tx Ethernet network card, CD-Rom and one available USB port or wireless adaptor 802.11 b/g. Windows XP SP2 minimum or Windows 2000 sp4.
2. The customer's computer should have a TCP/IP protocol configuration and use DHCP for automatic TCP/IP configuration and avail of a browser (Internet Explorer, Mozilla...).
3. The customer will have to avail of one or various sockets to meet its electrical requirements for each computer. Power supply is not included.
4. Since that the number of Internet connections is limited, this service should be applied for at least one month in advance. Any later application ring +34 / 902 747 342 to verify availability of lines.

TECHNICAL SPECIFICATIONS:

1. This is an Internet Connection Service with 3 possible speeds. The connection with the customer's computer is made generally via WI-FI, although FERIA VALENCIA reserves the right to supply the connection using a copper wire with RJ45 connector if the service characteristics so require.
2. The customer's computer should have a TCP/IP protocol configuration and use DHCP for automatic TCP/IP configuration. This service is provided only for one computer per contracted service.
3. The initial connection will be made by the customer itself with the assistance of the instructions provided, and the back-up technical support service on +34 / 902 747 342.
4. This connection includes no Antivirus, Firewall or Intrusion Detection Service. It is the customer's own responsibility to provide the necessary security systems, including antivirus and anti-intrusion. The customer commits itself to refrain from entering the FERIA VALENCIA internet systems or of other customers connected to the systems. Despite the security measures implemented by FERIA VALENCIA, and those taken by the customer, there still exists the possibility of some type of security incident, in which case FERIA VALENCIA does not accept responsibility for any possible consequences.
5. FERIA VALENCIA reserves the right to disconnect from the network any computer that may cause or is causing problems to the network as a whole.
6. If you wish to order additional services, please consult our Technical Support Dept. for specifications.

CONNECTION:

The details to configure the connection must be collected at the Treasury Office. If your computer does not have a wireless adaptor (802.11 b/g) you can order one by contacting our Technical Support Dept.
